

Glen Springs PTA Meeting
Wednesday, September 12, 2018
5:30 p.m.

Minutes

Principal Feagin—

Welcome to the group.

School Resource Office, Mike Meyers, requested a video monitor for his office wall to monitor the safety cameras. \$20 wall bracket... monitors around \$300ish

Pam Korithoski—

From ACCPTA. Talking about the ½ cent tax. Over the last 10 years funding has been cut greatly. Facilities are suffering because of that lack of funding. Glen springs needs a new roof, security improvements, 8 new classrooms, renovate 25 existing classrooms. Vote Yes on 1 and Yes on 2. Will have an oversight committee to make sure money is spent appropriately. How quick will it take to implement? Something will happen at each school as an improvement within the first 2 years. Will prioritize by immediate need to less need. Will start projects in January. Glen Springs is at around 500 kids and is overcapacity.

Tomorrow at 5:30 p.m.—Sept. 13—Kick-off event at Heartwood Soundstage

They'll have signs at the event

T-shirts are available on the ACCPTA website

Katie Kelly—

Goals for the year—members to please brainstorm ideas for things we'd like to see happen.

New Marquee

Shade on the playground or rubber mulch
